McLAREN VALE

CHARDONNAY 2009 SPECIAL VINTAGE

This rich unwooded wine brings with the first taste loads of fruit that interact perfectly with your mid palate highlighting the distinct ripe pear and melon flavours.

It incorporates a crisp pristine consistency with a long lingering taste of tropical fruits and savoury dates. Enjoyed on any occasion this refreshing Chardonnay serves best well chilled to accompany a range of dishes, cheeses and or condiments.

The Manor Estate Vintage Reserve Chardonnay is a refreshing wine to be enjoyed at any time and for any occasion.

MERLOT 2009 LIMITED RESERVE

Manor Estate's Merlot is a medium bodied, vibrant style of red wine with lifted plum and dried herbs and spices flavours.

A beautiful balance of cassis character and soft tannins offering a smooth tasting to the last drop. This Merlot offers that familiarity while surprising the palate at the same time.

Making this the perfect complement to your lamb roast or chargrilled vegetables.

SHIRAZ 2013 LIMITED RESERVE

This exceptional wine displays a soft rich plummy character as you would expect from a matured Shiraz wine vintage produced in the Adelaide Hills Region. It is characterized by its spicy gentle oak and rich berry fruit flavour with subtle hints of spice and pepper. It has a rich consistency supported by its black and red fruit mid palate taste.

It is a wine to be savoured immediately and or cellared as the tannins are mature enough giving the wine enough structure to age or enjoy on that special occasion without leaving the palate too dry.

SPARKLING SHIRAZ

This Sparkling Shiraz is an excellent medium body bubbly wine with an elegant structure and persistence of flavour. The wine pours as a violet frothy liquid settling into a vivid purple coloured bubbling wine.

The smell of blackcurrants, cherries, cherries, blackberries and more hit your senses. As you finish pouring the froth slowly settles into a purple steady mousse.

This wine on tasting exhibits a powerful fruit showing a dryness though seemingly sweet characteristic with some acid and tannin on the finish.

SPARKLING BRUT

This Sparkling Brut is a medium body wine with an elegant structure and persistence of flavour.

It has a soft and flavoursome palate and exhibits an aged style with a creamy crisp acid finish.

It is dry on the palate with aromas and flavours that hint apple, pear and citrus. Serve well chilled with your favourite white meats or partner up with everything from traditional caviar to butter-drenched seafood delights and salty flavoured fare.

CABERNET SAUVIGNON 2013 LIMITED RESERVE

That special occasion deserves a special wine. A wine that just mellow with the thoughts of a memorable night, where the rich dark wine viscosities and brilliant berry tastes flicker on your taste buds.

Reminiscent of a roaring fire's warmth fusing with your senses, or the soft and gently smoothing lingering sweet after taste of that last sip, a tantalizing memory of that deep black-current and peppery plum wine with spicy rich mouth-watering aromas.

This is a wine that is both uplifting dynamic and yet displays the soft oak undertones characteristically a signature of the region.
